Special Meeting:

Upper Iowa Beef—Casey found a discrepancy in the amount of water being billed. As it was explained, the water pumped wasn't matching to the water being sold so his accountability was down. Casey realized something wasn't right...the wrong multiplier was on the handheld for the meter reading, so...DeVries made a motion to approach Upper Iowa Beef to bill them for the water that wasn't charged plus taxes, but split it over a 12 month period. McNamara seconded motion. All voted aye.

Set public hearing for maximum Tax Dollars by Resolution # 01142020-1—Johnson made a motion to approve Resolution 01142020-1 setting the time and place for a public hearing on the maximum tax dollars. Norton seconded motion. All voted aye.

Copy of the updated Commission of Appointments—this form was also approved at the last meeting, but just wanted all to have the updated information.

Issue of not being able to be on council and work for the city at the same time—One of the new council members also works at the library. She stated that she had spoke with the County Attorney and he said it would be up to the council. There was information in the state code in chapter 71 not allowing this. No decision was made at this time, but will be discussed further at the next council meeting.

Property tax split for FY2021—Norton made a motion to approve each entity to receive a \$960 increase (library \$21,260; pool \$19,260; parks \$6,260; fire \$10,260; community center \$6,260 and the remaining \$68,693 to go into the General Fund).
